Premium Reserve Chardonnay 2011

Wine Making

This Chardonnay was hand picked at 11 Baumé

The grapes were whole bunch pressed and with the free run juice were fermented separately. The pressings were fermented in an oak barrel and reintroduced before bottling.

After fermentation was complete the wine was stirred on yeast lees for 6 months

Winemakers Comments

This is a fresh, fruit driven style that showcases the great characteristics of Australian Chardonnay.

Appealing fresh aromas of peach and nectarine with hints of citrus and vanilla and nutmeg. Oak is present but in the background.

Wine and Food Match

Enjoy with a range of dishes
