Pipers Ridge Rosé 2011

Wine Making

The Shiraz were hand picked at 11 Baumé

Whole bunches were pressed in a basket press to keep the harsh tannins and phenolics to a minimum.

After clarification the juice was cool fermented to enhance the natural fruit characters.

Winemakers Comments

Pipers Ridge Rosé is an appealing zesty fruit driven style.

Vibrant aromas of watermelon and strawberry fruit followed on the palate by citrus and guava.

This wine has a refreshing crisp finish.
